Mr. Didrik de Schaetzen
Secretary-General of the ALDE Party
Rue d'Idalie 11 BE-1050 Brussels

Dear Mr de Schaetzen, dear Didrik,

On behalf of the Servant of the People Political Party (the Party), I have the pleasure and honor to inform you that on the 7th of May, 2026, Mrs. Yevheniia Kravchuk has been unanimously nominated by the Presidium of the Party, as a candidate for Vice President of the Alliance of Liberals and Democrats for Europe (ALDE).

We are deeply convinced that Mrs. Kravchuk is an excellent candidate for this important position, in particular due to her continuous efforts and active engagement in advocating for the long-lasting and just peace for Ukraine, as well as in advancing democratic reforms, including establishment of the strong EU integration vector of the country. Also, her long-standing professional and political engagement with ALDE family, notably in her capacities as the incumbent ALDE Party Vice President (VP) and ALDE PACE Vice President is deeply rooted in shared liberal values and a commitment to Ukraine's and Europe's democratic future, based on the principles of freedom, rule of law, respect of human rights and good governance and is well-recognized and appreciated.

Yevheniia is a highly knowledgeable and experienced professional, who frequently represents Ukraine in international fora, promoting and actively ensuring enhanced cooperation between key liberal stakeholders in Europe. She remains well informed about current global challenges, including those related to growing threats of hybrid warfare, in particular disinformation and cyberthreats and strongly advocates for effective cooperation among the European states in this regard.

Taking into consideration her numerous achievements and successful activity as the incumbent ALDE Party Vice President, Yevheniia's key priorities and commitments for the upcoming tenure as ALDE VP post would build upon the previous results and focus on:

- Strengthening cooperation and coordination for security and defense in Europe, with the focus on countering propaganda and disinformation;
- Advocating for the effective and merit-based integration of Ukraine into the EU, as well as for the general revitalization of EU Enlargement process;
- Promoting empowerment and equal engagement of women and young people;
- Intensifying mutual cooperation, dialogue and exchanges among the liberal family;

We strongly believe that in this capacity, Yevheniia will greatly contribute to the strengthening of the liberal family in Europe and worldwide, as well as further enhance our sustained bilateral collaboration, grounded on shared liberal values and commitment to upholding democracy, peace and prosperity in Europe.

Respectfully,

OLEKSANDR KORNIYENKO

Chairman of the Servant of the People Political Party

First Deputy Chairman of the Verkhovna Rada of Ukraine
